

Job Application Information

- Applications will remain in our file for no longer than 60 days. If after that time you wish to reapply you must resubmit your information.
- All applicants are expected to have excellent customer service skills.
- As a smaller independent store you may be asked to assist in departments you are not hired for.

Departments

Check out what departments fit you best. Some departments and positions rarely have job openings.

Cashier

Positive attitudes with excellent customer service skills and attention to details are required. Cashiers are often standing for extended periods of time.

Warehouse & Receiving

Can be physically demanding with lifting, bending, and standing. Variety of tasks means workdays are often different.

Vitamins, Supplements, and Health & Beauty

Experience or education on nutrition, supplements, and herbs are required. Tasks include ordering, stocking shelves, one on one discussion with customers and offering advice and recommendations.

Grocery & Frozen

Experience or education on specialty diets, basic nutrition, and baking are required. Applicants should be comfortable with one on one discussion with customers and offering advice and recommendations.

Produce

Can involve early mornings and standing on feet for several hours. Produce team members are expected to order, stock shelves and maintain standards.

Café & Juice Bar

Fast paced environment that may include early morning hours. Tasks include food prep, cooking, service lines, dishwashing, and kitchen cleaning.

Office

Job openings in this area are rare. When positions open we look for previous experience in secretarial or bookkeeping.
